BANGKOK FASHION NOW & TOMORROW is a fashion publication series published by the Bangkok Fashion City Project, under the Ministry of Industry. Funded by the Royal Thai Government, this publication project attempts to promote the glamour of Thai fashion by top designers to a local and overseas audience which is part of the campaign to promote Bangkok as a fashion center in Asia.

TTIS Co., Ltd., the publication series consists of six volumes, each with its own name under **BANGKOK FASHION NOW & TOMORROW** series. The volumes, published over a period of 18 months, cover a wide range of fashion sectors from: **SCREAM** on fashion; **STREET** on ready-to-wear; **WILLIAMS**; **SPIN** on fabric textiles; **TRADITION** on accessories; and **SPEED** on fashion talents.

Without expressed or implied in **BANGKOK FASHION NOW & TOMORROW** are authors or contributors. They do not represent those of TTIS Co., Ltd. Bangkok Fashion City Project, Ministry of Industry. Readers are advised to visit the publication website, www.bangkokfashionnow.com, and view the online.

acknowledgements

Special thanks go to Dr. Supavee Sirin-k-raporn of Silpakorn University's Faculty of Decorative Arts. Over the years, Dr. Supavee has conducted extensive research on Thailand's jewellery, and her expertise proved invaluable to this project from its concept to completion. The publisher is also grateful to the Central Department Store, Thailand for its kind support of this project.
